- 3-1.2 Each classroom faculty member, except new appointments, shall normally know his/her class schedule one month prior to the first day of classes of the new semester, but in no event less than two weeks before the first day of classes, except for class assignment changes approved by the Departmental Personnel & Budget Committee.
- 3-1.3 Classroom faculty members are not normally required to be on campus prior to September 1.
- 3-1.4 **General Academic Advisement**
- a) **Fall and Spring:** The duties and responsibilities of all classroom faculty members shall include student academic advisement for registration during each Fall and Spring semester. These academic advisement responsibilities shall be fulfilled within the faculty member's own department.
 - b) **Academic Advisement in Degree/Certificate Programs:** In addition to the academic advisement responsibilities performed in the Fall and Spring semesters, as set forth in Section 3-1.4(a) above, classroom faculty members in departments offering discrete programs of study (i.e., programs leading to a degree or certificate) may be assigned to provide advisement during two (2) four-hour time blocks during either the August or January advisement process at their Department's discretion. The Chair of each such department will assign faculty who have taught and/or have relevant experience in the degree/certificate program to these duties. The Director of Academic Advisement shall request the assignments from the Chair of each department and this information will be made available to students in advance of each advisement process.
 - c) Classroom faculty members in departments offering discrete programs of study who are not assigned to academic advisement with the department during the August and January advisement process and classroom faculty members in departments not offering discrete programs of study shall be required to post and hold additional office hours as set forth in Section 4-1.6 of this Agreement.

Selected faculty shall receive three (3) contact hours of reassigned time per semester and must adhere to the reassigned time application deadlines determined by the Office of Academic Affairs. Voluntary academic advisement shall be in addition to the duties and responsibilities set forth in Section 3-1.4(a) and (b), above. This selection process shall be non-grievable.
- 3-1.5 **Scheduling of Classes** - Using established scheduling procedures, the College may start any class at any time during a semester, but all classes shall conclude at the end of the semester in which they start.
- 3-2 **Non-classroom and Professional Faculty**
- 3-2.1 The work year for non-classroom and professional faculty shall be from September 1 to the following August 31.
- 3-2.2 Non-classroom and professional faculty may be granted a leave of absence without pay between the dates June 1 and the next occurring Labor Day in any year, upon application to the appropriate supervising administrator, with the approval of the President. During such periods of leave, said employees shall receive no pay from the County of Nassau or the College, but the County shall continue to pay health and dental insurance benefits for each such employee during such periods of leave. This leave shall not be considered as an interruption of otherwise consecutive service.
- 3-2.3 Non-classroom and professional faculty are permitted twice per year to attend a 1.5 hour NCCFT Collegiate meeting.
- 3-3 **All Faculty**
- 3-3.1 **Meetings** - Academic responsibilities of the faculty to the College and the department shall include attendance at necessary and regularly scheduled College and departmental meetings during the semester.
- 3-3.2 **Attendance at Commencement** - Attendance at commencement exercises and other College sponsored functions is mandatory for all faculty of each department once every two (2) years, with a schedule that is established by each Department Chairperson and/or immediate supervisor. Faculty attending functions at Nassau Community College for which academic attire is required shall have the cost of said academic attire furnished by the College as stipulated in the contract.
- 3-3.3 **Reduced Work Load** - With the approval of the P&B Committee and the College Administration, faculty with five years of continuous service at the College may elect from 50% to 60% workload with proportionate reduction in pay, for one year at a time. This election may be for a Fall/Spring sequence and/or a Spring/Fall sequence. This election may not be made for two consecutive years. Additionally, a faculty member may elect (with the approval of the P&B Committee and the College Administration) the half workload option for one (1) semester. This reduction in workload will not affect any benefits the faculty member is entitled to as a full-time employee.

SECTION 4 WORK WEEK

4-1 Classroom Faculty

4-1.1 **Regular Contact Hours** - Each classroom faculty member shall be assigned a teaching schedule each regular semester made up of 15 or 16 contact hours each week, with the exception of faculty in the Music Department assigned to individual (one to one) instrumental instruction. For that purpose, 75 minutes of instruction shall be counted as a 50-minute contact hour. No classroom faculty member, however, will be required to teach more than an average of 15 contact hours per week during any one school year.

4-1.2 **12 Hour Work Load** - Provided that notice in writing is given to the appropriate department Chairperson or, in the event there is no Chairperson and there is no acting Chairperson, then to the Academic Vice President, at least two months prior to the commencement of the school semester, up to 45 members of the classroom faculty may elect to teach only 12 contact hours that semester. The salary of each member of the classroom faculty electing to teach only 12 contact hours shall be reduced by a sum equal to seven and one-half percent (7.5%) of their annual salary then in effect for each semester in which such an election is made. If more than 45 members of the classroom faculty elect in writing to teach only 12 contact hours, then, and in that event only, an order of priority will be developed by the Union and the College Administration under which only 45 members of the classroom faculty in any one semester will be allowed to work a 12 contact hour schedule. The election to teach 12 contact hours above referred to may not be made by classroom faculty in departments which would be rendered incapable of operation by said election or where such election would cause the violation of any contract with the federal or state governments.

4-1.3 The College may employ either full-time or part-time instructors to teach classes made available by reduced teaching assignments as provided above. A department's total offerings shall not be reduced because of the election to teach only 12 contact hour programs by its members.

4-1.4 Members of the English Department shall be deemed to be teaching 15 hours if they teach in accordance with the Fall semester 1971-72 Academic Year Program, which included three seminar hours. In no event, except as provided in the half-time option, will teaching faculty in the English Department be allowed to teach less than 12 contact hours of classroom instruction.

In order to fulfill their seminar hours obligations under this section, each faculty member of the English Department shall be assigned by the English Department Chairperson to fulfill three (3) seminar clock hours in the following priority order: (i) assisting students in the writing center or in any English Department learning lab(s); (ii) tutoring students in reading and/or writing; and/or (iii) mentoring liberal arts students. In the alternative, a faculty member may volunteer to teach one (1) three (3) contact hour course to fulfill the seminar hour obligation.

Faculty members shall indicate seminar hour assignments on their schedule and submit a written report of his/her activity and student(s) being served to the

Department Chairperson. All seminar hour assignments shall be performed on campus.

4-1.5 Classroom faculty requesting to accept a part-time assignment (adjunct classroom, adjunct non-classroom, or any other part-time assignment at the College) which occurs after the start of the contractually defined day of 8:00 a.m.; or prior to the end of the contractually defined day of 5:30 p.m.; or, on the fifth day of the work week, may do so if:

- That employee's teaching schedule, office hours and other service commitments: a) end prior to the commencement of the part-time assignment, or b) begin after the completion of the part-time assignment; and
- That employee's teaching schedule, office hours and other service commitments have been established or recognized by the regular procedure of the department; and
- That employee's teaching schedule, office hours and other service commitments have been filed, as foreseeable, on the appropriate College form, with Human Resources at least thirty (30) calendar days prior to the start of the semester or part-time job assignment.

4-1.6 **Office Hours – Classroom Faculty**

- a) In addition to the classroom hours, each classroom faculty member will be required to post and hold two and one half (2 1/2) office hours per week. In addition, those faculty members not performing academic advisement pursuant to Section 3-1.4(b) shall post and hold an additional four office hours per semester to be scheduled in the months of February, March, April, September, October and November. Email communications will not be used as a substitute for office hours. Office hours shall be scheduled according to the following:
- At least one (1) hour must be scheduled in a block with the remainder in periods of no less than 30 minutes.
 - A faculty member may, with the prior approval of the appropriate Dean, post and hold one 30 minute period after 5:30 p.m. which may be performed on campus or remotely using the College's approved video conferencing platform.
- b) Faculty shall reschedule missed office hours within a reasonable period of time, except when they are charged sick leave. Classroom faculty will also schedule an average of five (5) hours per week to satisfy their academic responsibilities to the College and the department.

4-1.7 Room assignments and departmental time schedules will be assigned equitably to all departments by the appropriate Dean. Within the individual departments, courses will be assigned by the Department Chairperson with the Personnel & Budget Committee or other designated elected department committee. These courses will be assigned to qualified personnel on the basis of seniority or any other method agreed to by the members of the department.

4-1.8 All off-campus and other course assignments, and credit courses taught via radio, television, or distance learning, shall be offered at the initiation of the department with approval of the Administration or at the initiation of the Administration as per normal scheduling practices in accordance with the terms and conditions of the NCCFT contract and the policies of the Academic Senate.

- 4-1.8.1 In addition, the following shall apply:
- a) An off-campus course or a course taught via radio, television, or distance learning, shall be defined as any credit course normally offered as part of the college curriculum but which is taught at a location other than the College campus, or by radio, television, or distance learning. An off-campus course, or a radio, television, or distance learning course may be considered as part of the regular course load of the faculty member.
 - b) Faculty may be assigned to teach these courses as part of their regular course load on a strictly voluntary basis.
 - c) Should an off-campus course, or a radio, television or distance learning course fail to develop after assignment, as part of a regular schedule, the faculty member shall have three (3) regular semesters to teach an extra course or courses in order to make up the deficit. Should it become necessary or with the concurrence of the appropriate Dean, this assignment may be fulfilled during the evening or summer sessions.
 - d) On-campus office and advisement hours may be reduced proportionately for faculty teaching off-campus courses or radio, television, or distance learning courses so that faculty may schedule conferences for their off-campus students. This adjustment must be approved by the appropriate Dean.
 - e) On-campus schedules for faculty who also teach off-campus courses, radio, television, or distance learning courses, may be reduced to three (3) days with the approval of the appropriate Dean, but in no case shall a faculty member's on and off-campus schedule exceed four (4) days.
 - f) The mileage provision of the NCCFT contract shall apply for all off-campus teaching.
- 4-1.9 Teaching schedules will be assigned by the appropriate committee and chairperson in each department. The number of different instructional preparations each semester shall be kept to a minimum and shall not normally exceed three (3). Wherever possible, such schedules shall provide for a compact work week of no more than four (4) days, except on application of the individual faculty member to the Executive Committee of the Union and to the departmental Personnel & Budget Committee. A teaching schedule of less than four (4) days must have the approval of the appropriate Dean. Final schedules will be filed in the office of the appropriate Dean.
- 4-1.10 Whenever possible, time will be provided to classroom faculty in the normal work week for professional development. Classroom faculty would not, however, be excused from any formal commitment to the College. However, in the absence of any formal commitment, they would be free to pursue activities that would advance the College's and their academic growth, which activities shall not include teaching full-time at any other college or university.
- 4-1.11 **Advanced Standing/Nursing** - It is understood that teaching faculty in the Department of Nursing can serve on a voluntary basis as Advanced Standing Evaluators during the Fall and Spring semesters within the normal workday and work week. Such service will be during hours outside their normal teaching and/or office hours. In addition, with the approval of the Chairperson, Technical Assistants may serve as Advanced Standing Evaluators. Such service will be during

- hours outside their normal work schedules.
- 4-1.11.1 During the Fall/Spring semesters such service shall not exceed eight (8) hours per week. During other periods, such service shall not exceed sixteen (16) hours per week. The rate of pay for such services shall be \$60.00 per hour.
- 4-1.12 **Evening Observations** - If the College requests full-time faculty to evaluate evening faculty, they shall be paid \$60.00 per evaluation.
- 4-1.13 **Program Coordinators** - When the College Administration deems it necessary for faculty members, as part of their assigned duties, to coordinate academic programs during the summer and/or beyond their normal workday, they shall be compensated at the rate of 1.67% per contact hour of the faculty member's full time academic rank at their current step. This compensation shall be included in the faculty member's annual maximum total of 18 contact hours and shall be at least 3 contact hours in any one semester. (Summer = 1 semester) All such assignments (summer and/or beyond the normal workday) shall be voluntary.
- 4-1.14 **Independent Study/Tutorial/Instruction** - Any faculty member wishing to teach an independent study/tutorial/instruction shall make such a request to the Department P&B Committee. If approved by the P&B Committee, the Chair shall forward this recommendation to the appropriate Dean for approval and assignment. For courses run as Independent Study/Tutorial/Instruction, the faculty member will be compensated at the rate of 1.67% of the individual's full-time academic rank at Step 1 per student, up to a maximum of three (3) students, though more than three (3) students may be in the course. A faculty member can teach a maximum of three contact hours of Independent Study/Tutorial/Instruction during the day in the regular fall and spring semesters of an academic year.
- 4-1.15 It is understood that while academic department P&B Committees have, under the terms of this contract, certain rights regarding the scheduling of hours, it is within management's prerogative to ensure that appropriate coverage in all departments is maintained and that the individual's schedule is not developed to accommodate any part-time position.
- 4-2 **Non-classroom and Professional Faculty**
- 4-2.1 Non-classroom and professional faculty shall work 33-3/4 hours per week within a schedule to be developed in accordance with contract provisions.
- 4-2.2 **All Purpose Leave** - Non-classroom and professional faculty will receive fifteen days per year of All Purpose Leave to be used as follows:
- a. Self-directed professional development;
 - b. Traditional personal leave purposes; and
 - c. General leave.
- Prior approval shall be required by means of the existing leave request form, except that five of the fifteen All Purpose Leave days may be used for traditional personal leave purposes without prior approval. None of these days may be carried over from year to year. In those cases where faculty attend professional meetings at the request of the College Administration or as a result of a subpoena issued in a court proceeding or by an agency created by the government or the courts in a suit against the College by a third party, no leave time will be charged.
- 4-2.3 **Emergency Days** - Non-classroom and professional faculty will receive up to five additional days to be used in the event the President of the College cancels classes

or declares an emergency for weather or other reasons. Effective September 1, 2014, the maximum amount of emergency days that may be utilized by non-classroom and professional faculty shall be seven (7) days.

4-2.4 **Bereavement** - All unit members shall be entitled to two (2) days of leave without loss of pay for death in the immediate family. Immediate family is defined as spouse, child, parent, mother-in-law, father-in-law, brother, sister, grandmother, grandfather, grandchild and recognized domestic partner as defined by NYSHIP rules. Said leave shall not be chargeable to any other leave time.

4-2.5 **Work Schedule** - The normal work week for the non-classroom and professional faculty is 33-3/4 hours in five 6-3/4 hour days, Monday through Friday, commencing no earlier than 8:00 am and terminating no later than 5:30 pm with a minimum of 1/2 hour for lunch. Departmental coverage will be provided.

4-2.6 **Four-Day Work Week** - Each member of the non-classroom and professional faculty will have the option of requesting a four-day (4) work week, 33-3/4 hour week upon their request to the P&B Committee and the approval of the supervising Dean or Vice President in academic departments. Those non-classroom and professional faculty assigned to non-academic departments must make the request to the appropriate supervisor, with the approval from the appropriate Vice President. Said request will be granted or denied by the President at his/her discretion. (Four days, Monday-Friday, need not be consecutive.) A decision by the College to deny a request for this option may be processed only through Level III of the grievance procedure, terminating with mediation. During the period between Memorial Day and Labor Day, the College Administration can establish a four-day (4) work week on an institutional basis. Under this circumstance, an individual can either work the extended workday or may elect to use leave time to maintain the 6-3/4 hour day.

4-2.7 **Alternative Work Year** - Non-classroom and professional faculty shall have the option to request a work year based on a schedule of thirty (30) weeks at seven and one-half (7-1/2) hours per day, five days per week, and the remainder of the work year (22 weeks) at six and three quarter (6-3/4) hours per day, five days per week. The thirty (30) weeks shall cover the normal Fall and Spring semesters. Faculty may elect the accrued time optional work day of 7-1/2 hours on a one (1) semester basis. The additional accrued time shall be taken in the academic year in which it is earned. A decision by the College to deny a request for this option shall not be grievable.

4-2.8 Non-classroom and professional faculty requesting to accept a part-time assignment (adjunct classroom, adjunct non-classroom, or any other part-time assignment at the College) which occurs after the start of the contractually defined day of 8:00 a.m.; or prior to the end of the contractually defined day of 5:30 p.m.; or, on the fifth day for faculty members on a four-day work week schedule as set forth in Section 4-2.6 above, may do so if:

- That employee's normal scheduled workday, a) ends prior to the commencement of the part-time assignment; or b) begins after the completion of the part-time assignment; and
- That employee's normal workday has been established by the regular procedure of the department; and

- That employee's work hours have been filed, on the appropriate College form, with Human Resources at least thirty (30) calendar days prior to the start of the semester or part-time job assignment.
- 4-2.9 Non-classroom and professional faculty requested to work overtime by the appropriate supervising Dean or Vice President or Department Chairperson who is authorized by the appropriate Dean, shall be compensated at their straight time hourly rate of pay, not to exceed \$60.00 nor be less than \$16.50. Compensatory time must be used by December 31st of the following academic year. Compensatory time at the rate of time and a half may be given at the discretion of the supervising administrator only if requested by the faculty member. No faculty member shall be required to work overtime.
- 4-2.10 Professional and non-classroom faculty hired after February 1, 1975, may be employed by the College outside the normal work schedule, not exceeding 33 3/4 hours a week, five days a week. They must be so advised at the time of their initial hiring. Faculty employed after January 24, 1977 must be so advised in writing at the time of their initial hiring that their schedule may be varied.
- 4-2.11 For the purpose of determining non-classroom and professional faculty re-assigned time one contact hour of re-assigned time shall equal fifty (50) minutes. Non-classroom faculty shall be granted 2.25 clock hours for every contact hour of reassigned time.
- 4-2.12 It is understood that while academic department P&B Committees have, under the terms of this contract, certain rights regarding the scheduling of hours, it is within management's prerogative to insure that appropriate coverage in all departments is maintained and that the individual's schedule is not developed to accommodate any part-time position.

SECTION 5 WORK DAY

- 5-1 **Classroom Faculty**
- 5-1.1 Although all classroom faculty are normally required to be available for assignments each week day during the academic year between the hours of 8:00 a.m. and 5:30 p.m., this does not mean that they must be on campus between the aforementioned hours.
- 5-1.2 Teaching assignments shall normally be compact, not usually extending in any one day for longer than five (5) hours.
- 5-2 In the event of short term shifts in student needs, the following are two procedures which may be utilized to enable faculty to fulfill their required teaching load:
- 5-2.1 A faculty member who wishes to teach in another academic department due to insufficient contact hours in his/her own department must formally apply and be interviewed by the department. The decision of the P&B Committee is to be in writing and should indicate the duration of the appointment. Rejection by the P&B Committees should only be for reasons of professional qualifications. The appointment may be renewable. The maximum amount of shared time shall be nine (9) hours (which may be waived in unusual circumstances with the approval of the department involved, the Administration, and the Union).
- a) During the period of time a faculty member is teaching in more than one

department and/or teaching outside his/her normal department, he/she is considered to be a member of the department in which he/she holds rank. Thus, the faculty member has no voting rights in the new department. The faculty member will also be observed during each semester that he/she is teaching outside the department in which he/she holds rank. Evaluation shall be only for the purpose of consideration of shared time in the future and shall not be considered for any other purpose.

- b) In the case of a faculty member sharing a teaching load with the Department of English, the normal 15 contact hour load will be maintained with normal office hours. If, on the other hand, the faculty member teaches a complete program in the Department of English, the 15 contact hours will be as per contract for English faculty.
- c) In the event a faculty member wishes to transfer on a permanent basis to a new department, the procedure and stipulations of the contract will be followed.

5-2.2 A faculty member may be assigned to evening and/or summer classes in order to fulfill his/her full-time teaching load.

SECTION 6

EARLY A.M. CLASSES AND ASSIGNMENTS

Should the College Administration offer sections or make assignments prior to 8:00 a.m., the sections will be taught by full-time faculty and the assignments performed by non-classroom or professional faculty on a voluntary basis as part of their regular work day. If full-time faculty are unavailable for such assignments, the College may assign such courses to part-time faculty. In the event classes so scheduled require preparation by Technical Assistants, such assignments shall be voluntary and begin no earlier than one-half (½ hour) prior to classes. In the event that such assignments are scheduled prior to 6:00 a.m., non-classroom and professional faculty shall be paid at the overtime rate for time worked prior to the start of the non-classroom or professional faculty's normal work day.

SECTION 7

DISTANCE EDUCATION

7-1 **Definition:** Distance Education is a planned teaching/learning experience in which the instructor and students are separated by physical distance and/or time, uses a wide spectrum of media to communicate, and supports regular and substantive interaction. Asynchronous and synchronous online courses and blended learning courses are subsets of distance education.

7-1.1 An Asynchronous course is any course in which the instructor is physically separated from his/her students in time and/or space and in which all of the course interaction (with the allowable exception of proctored midterm and final exams) takes place electronically via the Internet, using the College's Learning Management System (LMS).

7-1.2 A Synchronous course is any course in which all of the course interaction will be conducted through the use of video conferencing and will meet synchronously online during the assigned days and times listed in the schedule of classes. All course materials and assessments (e.g., PowerPoint, videos, weblinks, tests, and assignments) will be administered using the College's Learning Management System (LMS).

- 7-1.3 Three blended learning instructional models are available for distance education as follows:
- 7-1.3.1 A course which combines face-to-face classroom instruction with education technologies using the College's Learning Management System. The course will be divided evenly, 50% face-to-face and 50% asynchronous online. Neither component can be merely supplementary to the other. Interaction between students and faculty must be substantial and ongoing throughout the semester to provide students with a face-to-face and asynchronous online moderated experience.
- 7-1.3.2 A course which combines face-to-face classroom instruction with education technologies using the College's Learning Management System. The course will be divided evenly, 50% face-to-face and 50% synchronous online. Neither component can be merely supplementary to the other. Interaction between students and faculty must be substantial and ongoing throughout the semester to provide students with a face-to-face and synchronous online moderated learning experience.
- 7-1.3.3 A course which combines Asynchronous and Synchronous online instruction with education technologies using the College's Learning Management System. The course will be divided evenly, 50% asynchronous and 50% synchronous online. Neither component can be merely supplementary to the other. Interaction between students and faculty must be substantial and ongoing throughout the semester to provide students with an Asynchronous and Synchronous online moderated learning experience.
- 7-2 **Ownership of Course Materials**
- 7-2.1 A faculty member who develops course material as a project authorized or directed by the College shall not retain ownership of course outlines and general materials relating to the course. These materials are the sole property of the institution. Lecture notes and other instructor produced materials such as, but not limited to, discussion questions, course-specific applications, quizzes, and exams shall be considered the property of the instructor.
- 7-2.2 Distance education courses developed at Nassau Community College may not be offered at other institutions.
- 7-3 **Course Development**
- 7-3.1 Course development is recognized as either (1) creating a new distance education course or (2) converting or adapting an existing course to a distance education format. Development shall not include the sole use of preexisting materials to create or to teach a distance education course.
- 7-3.2 Academic departments must follow College policies and procedures to convert remedial and credit bearing courses and to develop new distance education courses. Where additional expenditures are required for development and/or where the College's educational programs will be modified or changed significantly, the Administration reserves the right to approve or disapprove the changes and/or expenditures.
- 7-4 **Support**
- 7-4.1 Faculty members shall be eligible for a \$2,500.00 stipend for the development of a distance education course upon application to the Vice President of Academic Affairs. One Thousand (\$1,000.00) Dollars shall be paid to the faculty member for the development and submission of the distance education course to the College

Wide Curriculum Committee (“CWCC”). One Thousand Five Hundred (\$1,500.00) Dollars shall be paid to the faculty member after the course is approved by the CWCC.

7-4.2 The College shall provide training and technical support to faculty who are participating in distance education or have expressed an interest to do so. The commitment to training and technical support is not subject to grievance.

7-4.3 The College shall determine the learning management system to be used.

7-5 **Class Size**

7-5.1 Effective September 1, 2018, distance education and hybrid courses shall be treated the same as face-to-face courses for the purpose of determining maximum class size. The class size limits applicable to distance education and hybrid courses shall be the same as those applicable to the corresponding face-to-face courses.

7-6 **Evaluation**

7-6.1 Faculty members who teach distance education courses shall be evaluated in the same manner as classroom faculty. Evaluation of faculty members teaching one or more distance education courses shall be conducted in accordance with Section 16 of this Agreement.

7-7 **Course Assignment Methods**

7-7.1 It is the responsibility of the academic department to establish and review criteria for assignment of faculty to distance education courses. Faculty must meet College and Department qualifications for appointment and demonstrate evidence of proficiency to teach a distance education course.

7-7.2 Assignment to teach a distance education course shall be voluntary, unless required to meet full time load if otherwise qualified.

7-7.3 Full-time assignment to teach a distance education course shall follow existing contractual procedures. A faculty member who develops a distance education course or converts a course shall be given the right of first refusal to teach the course for the first two semesters that it is offered.

7-7.4 The College shall not sponsor a distance education course offered by any other institution or provide a reception site for any course that would compete with an NCC course currently being taught and/or listed in the College catalog.

7-7.5 Faculty are eligible to teach no more than 50 percent of their full-time yearly teaching load as distance education courses per academic year, with a maximum of two-thirds (2/3) of that 50 percent in any one semester. Seminar hours may not be used in these calculations.

7-8 **Office Hours**

7-8.1 Faculty who teach distance education courses may fulfill up to one hour of their office hours obligation off-campus. The distance education office hour schedule must be posted in the same way as other office hours. Faculty must be available at this time to provide instructional or other assistance.

7-9 **Privacy and Surveillance**

7-9.1 Access to distance education courses by the College shall be applicable and consistent with policies relating to classroom-based courses and the NCC policy on “Acceptable Use of Computer Resources and Electronic Communications.”

**SECTION 8
WEEKEND COLLEGE**

- 8-1 Full-time classroom faculty may volunteer to teach part of their full-time schedule in the Weekend College (classes offered Friday evening after 5:30 pm through Sunday) subject to the following:
- a) Faculty may teach only one day of the Weekend College.
 - b) Faculty teaching one day of the Weekend College shall be assigned the remaining courses of the full-time schedule on three (3) days of the week (Monday through Friday).
 - c) The administration may permit faculty to teach classes that meet more than one weekend day. In these circumstances, the administration shall provide to the NCCFT a rationale for those assignments.
 - d) Faculty may teach no more than six contact hours in the Weekend College.
 - e) Faculty who elect to teach both a day class and a Friday evening Weekend College class will only be permitted to count Friday as one day of their four-day week.
 - f) Faculty shall schedule a pro-rated portion of their required office hours (Section 4-1.6) as part of their Weekend College assignment.
- 8-2 In the event Weekend College classes require that Technical Assistants (TA's) or Technologists or any other unit member be available, such assignments shall be voluntary and subject to the following:
- (a) Non-classroom faculty (as defined above) on a five day work schedule may not work more than 20% of their weekly schedule in the Weekend College;
 - (b) Non-classroom faculty (as defined above) on a four-day work schedule may not work more than 25% of their weekly schedule in the Weekend College.
- 8-3 All assignments in the Weekend College must conform to the provisions of the current contract unless otherwise specified.

**SECTION 9
OUTSIDE ACTIVITIES AND
PART-TIME EMPLOYMENT**

- 9-1 The College recognizes an obligation to make available to the community the professional competence and technical knowledge of the faculty members. The potential value of such outside employment to the faculty and College is recognized.
- 9-2 Full-time employment by Nassau Community College shall be considered the primary employment of the individual who shall limit other compensated professional activity so as not to impair educational effectiveness. At the direction of either the appropriate Vice President or the appropriate Department Chairperson, a full-time faculty member may be asked to file a multiple position form detailing hours and other circumstances of other compensated employment. This form shall be reviewed by the appropriate Vice President and the appropriate Department Chairperson and Personnel and Budget Committee. In the event there appears to be a conflict with the responsibilities for primary employment or impaired educational effectiveness, the Department Chairperson, in conjunction with the department Personnel and Budget Committee and appropriate Vice President, shall attempt to resolve the conflict. If it cannot be resolved at this level, it shall become a Step 3

grievance procedure.

SECTION 10 STUDENT FACULTY RATIO

College-wide student-faculty ratio shall be 21.1/1.

SECTION 11 EQUAL EMPLOYMENT POLICY

- 11-1 As an equal opportunity employer, Nassau Community College shall not discriminate against any person because of race, color, religion, national origin, sex, age, sexual preference, disability, or marital status, except as such conditions constitute bonafide occupational or assignment qualifications.
- 11-2 The appointment policy of Nassau Community College shall comply with applicable provisions of federal, state and municipal laws and ordinances and the College's Affirmative Action Plan with respect to equal employment opportunity and non-discrimination in the rates of pay, hours, and terms and conditions of employment, including work assignments, educational and training opportunities, use of facilities, and opportunities to serve on committees or decision making bodies.

SECTION 12 ADMINISTRATORS TEACHING

- 12-1 Members of the Administration are encouraged to teach from time to time during the academic year, as long as such teaching does not interfere with their normal duties, subject to the following:
 - 12-1.1 He/she must meet the minimum academic requirements of that department as determined by the department's P&B Committee.
 - 12-1.2 No administrator shall teach more than one course per semester.
 - 12-1.3 No administrator shall be assigned a course until all full-time faculty have received their schedules.
 - 12-1.4 The teaching performance of an administrator shall be subject to the normal departmental evaluation process. These evaluations will serve to determine whether future teaching assignments are offered to the administrator.

SECTION 13 FACULTY FILES

- 13-1 There shall be only one set of official personnel files, which shall be kept in the Office of Human Resources. These shall include, but not be limited to, the following:
 - 13-1.1 **Personnel Information**
 - 13-1.2 Information relating to the employee's academic and professional accomplishments as submitted by the employee or placed in the file at his/her request.
 - 13-1.3 **Records Generated by the College**
 - 13-1.4 Memoranda of discussions between the employee and his/her Department Chairperson relating to evaluations of the employee's professional performance.
- 13-2 There shall be a separate pre-employment personnel file which shall contain

confidential references and materials to be utilized solely in the initial appointment process.

- 13-3 No materials shall be placed in a faculty member's personnel file unless said faculty member has been so informed by memorandum from the Office of Human Resources and has been given an opportunity to examine said material and to attach any comments he/she may desire, unless said material has already been initialed by said faculty member. If the faculty member does not concur in any evaluation or statement concerning him/her, notations to this effect shall be affixed to said material.
- 13-4 All documents shall be dated and sequentially numbered as received.
- 13-5 Only the following people shall be authorized to examine the files of a faculty member: Members of the Board of Trustees, the President, the appropriate Supervising Administrator, the appropriate Chairperson, members of the Personnel and Budget Committee, members of the Professional Advisory Committee, members of the Promotion and Tenure Committee, the faculty member himself/herself with or without an advisor of his/her choice, the Personnel Officer and necessary clerical personnel. Committee members mentioned above and Trustees may see only relevant data only when a faculty member's application for promotion or tenure is being evaluated, or when a faculty member is being considered for reappointment or dismissal.
- 13-5.1 With respect to access to faculty files, "the President" shall hereafter include any designee of the President who is a management employee of the College (or a College/County Attorney) who reviews the file at the direction of the President and who indicates in the file the fact of his/her review and the authority therefore.
- 13-6 No other person inside or outside the College shall be permitted to examine any personnel files under any circumstances whatsoever except with the consent of the concerned faculty member. No file or copy thereof shall leave the Office of Human Resources (except to the President's Office and back by special messenger), nor shall any information contained therein be made available to any outside source or agency without the written permission of the faculty member concerned, except as required by law.
- 13-7 When the personnel records of a faculty member are used by an authorized person, a memorandum of the use of these records, which shall include the purpose of the use, shall be mailed to the faculty member concerned.
- 13-8 The official personnel file shall constitute the only verified and reliable document for the purposes of evaluation, promotion, tenure, reappointment, and dismissal. The faculty member may, however, submit additional verifiable data on his/her application for promotion and/or tenure.
- 13-9 Each department and the office of the appropriate Dean may maintain a file for each faculty member which shall include only his/her date of initial and succeeding service, rank, step, salary, record of promotion, and tenure status.

SECTION 14 ACADEMIC FREEDOM

- 14-1 The College recognizes that academic freedom is essential to the free search for truth and to its exposition.

- 14-2 All faculty members are entitled to full freedom in the publication of the results of their research, subject to performance of their other academic duties. Research conducted during the normal working day for pecuniary return must be based upon an understanding with the President. A faculty member is entitled to freedom in the classroom in discussing his/her subject, but should be careful not to introduce into his/her teaching a controversial matter which has no relation to his/her subject.

SECTION 15 COLLEGE-WIDE MEETINGS

- 15-1 Two faculty/administration meetings shall be scheduled in the Academic Calendar.
15-2 The President may call such other faculty/administration meetings as he/she shall see fit.

SECTION 16 EVALUATION OF PROFESSIONAL COMPETENCE

- 16-1 There shall be on-going assessment of the professional activities of all faculty to maintain academic and professional excellence. The purpose shall be to encourage the improvement of individual performance and provide the basis for assessment of professional competence and fulfillment of professional obligations.
- 16-2 A five-year professional development plan shall be drafted for all new full-time faculty. This plan shall be derived through consultation among the new faculty member and his/her department chairperson and Personnel and Budget Committee and forwarded to the appropriate Dean. The purpose of this plan shall be to guide the faculty member's progress toward tenure and to assist in addressing projected departmental directions and the expectations of the initial hiring. Progress in implementing the Professional Development Plan (PDP) must be reflected in the Year-End Evaluation. Both the Professional Development Plan and the Year-End Evaluation must be reviewed by departmental P&B Committees and by the P&T in evaluating applications for tenure for all probationary faculty.
- 16-3 In addition to the PDP, there shall be two forms of assessment:
- a) **Classroom Observation** - To measure effectiveness in teaching; and
 - b) **Year-End Evaluation Report.**
- 16-3.1 All observations and evaluations of individual faculty members shall be in writing. The individual concerned shall discuss the observation or the evaluation with the evaluator prior to the preparation of the final written report. The individual faculty member shall sign each observation or evaluation report and be permitted to file a written reply to any portions of said report to which the faculty member may take exception. Each department observation or evaluation report shall be submitted through the Department Chairperson to the Department P&B Committee within one (1) week of the observation or evaluation visit and/or conference. All observation and evaluation reports shall follow the department evaluation guidelines. Each written report shall be placed in the official faculty file within thirty (30) days of said observation or evaluation.
- 16-3.2 **Classroom Faculty** - The Year-End Evaluation Report may include observation of teaching and shall include evaluation of performance of professional duties. It shall

- be based on the consideration of the following:
- a) Mastery of the subject matter;
 - b) Effectiveness in teaching;
 - c) Scholarly ability;
 - d) Effectiveness of College service;
 - e) Continued professional growth.
- 16-3.3 **Non-classroom and Professional Faculty** - The evaluations of non-classroom faculty with academic rank shall consider:
- a) Mastery of the subject matter;
 - b) Effectiveness in the Library or effectiveness in Student Personnel Services;
 - c) Scholarly ability;
 - d) Effectiveness of College service;
 - e) Continued professional growth.
- 16-3.4 Academic departments and administrative units shall develop specific evaluation criteria for professional faculty. These criteria shall be submitted to the appropriate Vice President and/or designee.
- 16-4 **All Faculty** - Non-tenured full-time and all adjunct faculty shall be evaluated at least once during an academic year by the Department Chairperson and/or the Department P&B Committee (or immediate supervisor for those professionals not attached to academic departments). The evaluation of classroom non-tenured faculty must include classroom observation. Non-tenured faculty shall also be evaluated once during an academic year by the appropriate Vice President or designee and/or appropriate Dean or designee. Tenured faculty may be evaluated on an annual basis by the Department Chairperson and/or the P&B Committee (or immediate supervisor for those professionals not attached to academic departments), and by the appropriate Vice President or designee and/or appropriate Dean or designee. However, all tenured faculty must be evaluated at least once every two (2) years with a Year-End Evaluation report placed in their official file. Said evaluations of tenured faculty may include a classroom observation, if appropriate. No faculty member shall be evaluated more than once in any academic year by the appropriate Vice President or designee and/or appropriate Dean or designee except on the invitation of the faculty member. The year-end evaluation report for non-tenured and tenured faculty shall include a section for the comments and recommendations of the appropriate Vice President or the appropriate Dean, or their designee. The term “appropriate Dean” shall include the faculty member’s Area Dean or supervising administrator.
- 16-5 No other person may participate in the evaluation process except with the approval of the faculty member. The evaluation process will not be used to harass a faculty member.
- 16-6 Each evaluator shall submit through the Department Chairperson a written evaluation report to the Department P&B Committee within one week of the evaluation visit. All evaluators shall follow the department evaluation procedures.

SECTION 17 GRIEVANCE PROCEDURE

- 17-1 The Union or any member of the bargaining unit shall have the right to present

his/her grievance in accordance with the procedure described herein, containing the steps set forth below, with or without a representative of the Union, free from interference, coercion, restraint, discrimination or reprisal. At each stage of the grievance process, the Union shall be a full participant in all grievances.

17-2 **STEP I Informal Stage**

17-2.1 Any faculty member in the bargaining unit may present and discuss his/her grievance within ninety (90) days of the date of the alleged grievance, either with or without a representative of the Union. Similarly, a representative of the Union may present and discuss a grievance on behalf of any member or group of members with the Dean, department chairperson or appropriate supervisor of the department involved and which shall be entirely informal.

Within fifteen (15) days of receipt of the grievance a meeting must be held between the parties. If the grievance is not resolved at that meeting, the representative of the College who participated in the grievance meeting shall issue a written decision within fifteen (15) days of the meeting which shall be sent to the Union and the grievant with a copy to the Office of the President and the Office of Labor Relations.

Any settlement, withdrawal or disposition of a grievance at this informal stage shall not constitute a binding precedent in the settlement of similar complaints or grievances. A determination at this step by a Dean, or supervisor who is not a member of the unit, which is acceptable to the grievant and the Union is binding on the parties subject to the review and approval of the President and/or his/her designee. However, such a determination at this step by a department chairperson or a supervisor who is not a member of the unit which is not acceptable to the President or his/her designee is not binding and the grievance may proceed to Step II.

17-3 **STEP II Formal Stage – The College President or his/her designee**

17-3.1 If a grievance is not satisfactorily adjusted in Step I, the grievant or the Union may, within fifteen (15) days, file a notice of appeal with the College President or his/her designee. Within fifteen (15) days of receipt of the appeal the grievance shall be presented to the College President or his/her designee. The College President or his/her designee shall make his/her determination within fifteen (15) days after the matter is presented to him/her and after appropriate consultation with any or all parties to the grievance, provided, however, that if the grievant has not requested that the Union representative present the matter on his/her behalf, no such determination shall be made without two (2) days prior notification of the grievance by the College President or his/her designee to the Union.

17-4 **STEP III Mediation**

17-4.1 If the grievance is not resolved at Step II the President of the Union may request that the grievance be submitted to mediation in order to promote, through mediation, the resolution of the issues presented. The request for mediation must be submitted to the Office of the President and the Office of Labor Relations within fifteen (15) days after receipt of the Step II decision. No more than ten (10) days thereafter, the Union and the Office of Labor Relations will jointly contact the

mediator and request a date for mediation.

17-4.2 The parties agree to use the following permanent mediators who shall serve on a rotating basis in alphabetical order.

1. Ira Cure
2. Richard Curreri
3. Barry Peek
4. Robert Simmelkjaer
5. Bonnie Weinstock

If a mediator is not available to meet with the parties within sixty (60) days of the parties' request for mediation the request for mediation shall be made to the next mediator on the panel.

17-4.3 Unless otherwise agreed by the Union and the College, the mediation will not take more than one (1) day. The mediator's fee will be split equally between the Union and the College.

17-4.4 The mediation process must be completed within sixty (60) days of receipt of the request referenced in Section 17-4.1 above.

17-4.5 At any time after one year from the date the CBA is executed, either Party may notify the other in writing that it wishes to discontinue the mediation procedure in STEP III in which case that step will be eliminated. In the event that STEP III is eliminated the demand for arbitration must be filed within thirty (30) days of receipt of the STEP II decision.

17-5 **STEP IV Final and Binding Arbitration**

17-5.1 If the grievance is not resolved after the completion of mediation (or Step II, if Step III has been eliminated pursuant to Section 17-4.5 above) the President of the Union may process the grievance to arbitration by serving a demand for arbitration to the American Arbitration Association (AAA) and to all parties involved. The demand for arbitration must be filed within thirty (30) days of the completion of the mediation process (or Step II, if Step III has been eliminated pursuant to Section 17-4.5 above).

17-5.2 Selection of an Arbitrator – The American Arbitration Association shall supply each party a list of qualified arbitrators from the AAA panel. The NCCFT and the College shall select the arbitrator according to AAA Rules for Voluntary Labor Arbitration.

17-5.3 Decision of the AAA Arbitrator – The selected arbitrator will hear the matter promptly and will issue his/her decision not later than thirty (30) days from the close of the hearing, or if oral arguments have been waived, then the date final statements and proofs are submitted to him/her. The arbitrator will set forth his/her findings of fact, reasoning and conclusions on the issue in writing to the Union, and the President of the College.

17-5.4 Cost of Arbitration – The cost for the services of the arbitrator, including expenses, if any, will be shared equally by the College and the Union.

17-5.5 Arbitration – The decision and award of the arbitrator shall be final and binding on all parties to this agreement. The arbitrator will be without power or authority to make a decision which violates the terms of this Agreement, nor shall the arbitrator have any power to add to or detract from, or in any way alter the provisions of this

Agreement. The arbitrator shall have no power or authority to make any decision which requires the commission of an act prohibited by law or which is a violation of the terms of this Agreement. Only claims of a breach of this Agreement may be submitted to arbitration. The arbitrator's jurisdiction shall be limited to the interpretation or application of a provision of this Agreement.

- 17-6 **Grievance Procedure – Miscellaneous Provisions**
- 17-6.1 This grievance procedure shall not be used to adjust a complaint when the law establishes and requires a specific procedure and method of redress inconsistent with the procedures herein established, or when the Mediator is without authority to act.
- 17-6.2 Failure at any step of the procedure provided herein to communicate a decision on a grievance within the specified time limits shall permit the grievant and/or the Union to proceed to the next step.
- 17-6.3 Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits, shall be deemed to be a waiver of the right to appeal.
- 17-6.4 Any reference to “days” hereunder shall mean “week-day/business days” of the College.
- 17-6.5 Conferences and hearings held under the procedure provided herein shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons entitled to be present at such conference or hearing to attend. When such conference or hearing is held during working hours, all individuals necessary for the conference or hearing shall be excused without loss of pay for that purpose.
- 17-6.6 Grievances shall be recorded on the standard grievance form as provided in Appendix 3 attached hereto.
- 17-6.7 By mutual consent, the parties may expedite the grievance procedures established herein.

SECTION 18 ACADEMIC SENATE

- 18-1 It is the Academic Senate of Nassau Community College that shall provide the College community with voice in general educational goals and policies as well as other matters of concern to the College community. Leaves for the purpose of caring for a child shall be granted without pay.
- 29-3 Where the service of a member of the faculty is interrupted by reason of absence on a leave for the purpose of caring for a child, the period of creditable service

preceding such absence shall be counted in computing the years of service required for tenure, promotion, sabbatical, and seniority.

- 29-4 For the purpose of child care, a non-classroom and professional faculty member may choose and be granted by the Supervising Administrator a reduced work load, not to exceed fifty percent (50%), with a pro-rated reduction in pay for one semester. This reduction in workload will not affect any benefits the faculty member is entitled to as a full-time employee.

SECTION 30 COLLEGE BUSINESS

- 30-1 In those cases where faculty members are formally requested in writing by the appropriate Dean or Supervising Administrator to:
- 30-1.1 Attend professional meetings; or
- 30-1.2 Participate in a court proceeding as a result of a subpoena issued by a court, or by any agency created by the government of the County, in a suit against the College by a third party; or
- 30-1.3 Participate in out-of-classroom activities which are directly related to classroom instruction, and which are funded by the College's operating budget, the faculty member will be deemed to be on College business, and no leave time will be charged for such attendance or participation.
- 30-1.4 With the approval of the Administration, coaches may convert more than four (4) sick days into personal days for the purpose of coaching teams at away games.
- 30-2 This benefit will also apply in cases where the request is initiated by a faculty member via the applicable departmental procedures, and is formally approved in writing by the appropriate Dean or Supervising Administrator.

SECTION 31 HOLIDAYS

- 31-1 The number and names of the holidays for members of the faculty will vary from year to year, depending on the Administrative and Academic Calendars.
- 31-2 The Academic Calendar shall be published and shall indicate College holidays as well as the winter and spring recesses for the teaching members of the faculty.
- 31-3 Non-classroom and professional faculty will have the following holidays: New Year's Day, Martin Luther King, Jr. Day, Memorial Day, Independence Day, Labor Day, Veterans' Day, Thanksgiving Day, and Christmas Day.
- 31-4 There will be five (5) additional paid holidays to be announced by the President at the start of each work year. These holidays will provide the necessary flexibility to relate the Administrative Calendar to the Academic Calendar.

SECTION 32 VACATIONS - NON-CLASSROOM AND PROFESSIONAL FACULTY

- 32-1 All non-classroom and professional faculty members will be entitled to thirty-six (36) working days vacation; however only twenty-six (26) days may be used for cash out purposes pursuant to Section 42 of this Agreement.
- 32-2 Vacations are based on the work year. Employees starting after September 1st are

entitled to a reduced vacation on a pro-rated basis. Similarly, vacation leave shall be pro-rated if the faculty member terminates employment before the end of the academic year. Vacation may be accrued up to 100 days; however only 90 days may be used for cash out purposes pursuant to Section 42 of this Agreement.

32-3 Vacations must be scheduled to minimize departmental interruptions. Non-classroom and professional faculty holding student-related positions should schedule vacations and personal leaves to coincide with academic holidays or during periods of reduced student activity. All vacations are subject to approval of the supervising administrators.

SECTION 33 JURY DUTY

Jury duty and all court time on County business shall be paid on the basis of a normal work week. Faculty members shall remit to the County all sums received for jury duty beyond two weeks of such service. Upon presentation of an official jury notice to the department Chairperson or Supervisor, faculty shall be allowed to serve on a jury with no charge to their accumulated leave time.

SECTION 34 HEALTH INSURANCE

34-1 Health Insurance Coverage

All Health Insurance Plans available to unit members under the terms of the September 1, 2017-August 31, 2020, CBA as extended by the September 1, 2020 – August 31, 2022 MOA shall continue to be made available to all unit members including but not limited to the Empire Plan, as provided for and to the extent made available by the New York State Health Insurance Program (“NYSHIP”), or an alternative health insurance plan (which shall include, but not be limited to, any offered plan of Blue Access, HIP, AETNA, Blue Cross HMO, and HIP/VYTRA Network). Unit members electing any of the foregoing plans shall make the contributions to health insurance costs listed in 34-2 below.

34-2 Contributions to Health Insurance Costs

Active unit members who elect the Empire Plan under this Agreement shall contribute to premiums as follows:

34-2.1 Contribution for Unit Members Hired Prior to May 1, 2014:

- a) Effective September 1, 2023, unit members hired prior to May 1, 2014 who are enrolled in the Empire Plan shall contribute 2.5% of the unit member’s base salary.
- b) Effective September 1, 2024, unit members hired prior to May 1, 2014 who are enrolled in the Empire Plan shall contribute 2.75% of the unit member’s base salary.

34-2.2 **Contribution for Unit Members Hired On or After May 1, 2014:** Unit members hired on or after May 1, 2014, who are enrolled in the Empire Plan, shall continue to contribute 15% of the cost of the health insurance premium.

34-3 Alternative Health Insurance Plans

- a) It is the intent of the parties that all unit members shall be offered a health insurance plan option that requires no premium contribution. The parties further acknowledge that such an option may provide benefits and benefit levels different

than those currently available. To this end, the College through the County of Nassau shall endeavor to identify and make available for such unit members an alternative plan(s) whose premium cost is equal to or less than 85% of the cost of the Empire Plan as soon as practicable. The parties acknowledge that this may result in unit members being enrolled in a plan which requires a contribution for a period of time.

- b) If enrolled with an alternative healthcare plan, (which shall include, but not be limited to, any offered plan of Blue Access, HIP, AETNA, Blue Cross HMO, and HIP/VYTRA Network) the College shall pay, towards the cost of the premium in either the individual or family plan, all amounts up to the monetary equivalent of 85% of the cost of the Empire Plan (individual or family, as applicable). To the extent the annual premium cost is equal to or less than 85% of the cost of the Empire Plan, the College shall pay the full cost of the health insurance premium. To the extent the annual premium exceeds 85% of the cost of the Empire Plan, the unit member shall pay the difference. For example, if the premium for the Empire Plan was \$100 and the premium for the alternative plan increased to \$90, the member would pay \$5.00.

34-4 **Health Insurance in Retirement:**

Provided that the unit member meets eligibility requirements of the NYSHIP, the County shall continue to cover the retiring unit member for life. The level of benefits and health care plan granted at the time of retirement may change and/or be modified in the future to the extent of changes and/or modification of the health care plan and/or benefit level that in the future is extended to active College employees.

34-4.1 **Retirements Before August 31, 2025**

Unit members, hired prior to May 1, 2014, who resign for the purposes of retirement on or before August 31, 2025 will not be required to contribute toward the cost of the health insurance premium in retirement, provided:

- a) The unit member meets eligibility requirements of the NYSHIP.
- b) For the 2023-2024 Academic Year: A unit member who intends to resign for the purposes of retirement under the Teachers Retirement System of New York State, or the Employee Retirement System of New York State, or SUNY Optional Retirement Program, as of August 31, 2024 must submit his/her irrevocable election of retirement to the College on or before March 1, 2024.
- c) For the 2024-2025 Academic Year: A unit member who intends to resign for the purposes of retirement under the Teachers Retirement System of New York State, or the Employee Retirement System of New York State, or SUNY Optional Retirement Program, as of August 31, 2025 must submit his/her irrevocable election of retirement to the College on or before January 10, 2025.

This section (Section 34-4.1) shall expire and be of no further force and effect on August 31, 2025, except for the enforcement of the payments to be made hereunder.

34-4.2 **Retirements After August 31, 2025**

- 34-4.2.1 **Unit Members Hired Prior to May 1, 2014:** Unit member's health insurance premium contribution in retirement shall be fixed at the rate paid in their last year of employment at the College, for the duration of the unit member's life. Unit

members shall have the annual dollar amount of their contribution converted to a percentage of the premium cost for health insurance. For example, the percentage of the premium payable by the unit member shall be determined by dividing the monetary value of the percentage paid by an active employee by the total premium amount for unit member's family or individual coverage in effect on the day prior to the union member's retirement.

- 34-4.2.2 **Unit Members Hired On or After May 1, 2014:** Unit member's health insurance premium contribution in retirement shall be fixed at the rate paid in their last year of employment at the College, for the duration of the unit member's life.
- 34-5 The College shall establish and maintain a cafeteria plan whereby all unit members shall be entitled to pay their health plan premium deductions on a pre-tax basis.
- 34-6 In the event that during the term of this Agreement, any other County bargaining unit negotiates any improvement in the current health plan which shall be effective during the term of this contract, then this Agreement shall be reopened to negotiate with respect to such improvement in the health plan.
- 34-7 If a National Health Insurance Plan is enacted and mandated by the Federal Government to cover members of the negotiating unit or if said plan is optional and adopted by the Nassau County Legislature, then members of the negotiating unit shall receive said benefits; however, if said benefits are less than benefits previously received under this contract by members of the negotiating unit, the County shall furnish additional benefits comparable to those omitted in the Federal Plan that were previously enjoyed under contract.
- 34-8 In the event that any health plan offered under the New York State Civil Service Law is terminated, the parties will reopen negotiations with respect to the issue of any increased cost for comparable health insurance benefits.
- 34-9 The County shall have the right to change health insurance providers without further bargaining so long as benefits are not decreased.
- 34-10 The Board of Trustees will elect Domestic Partner coverage under the New York State Employees Health Insurance Benefit Program. Domestic partner coverage will be offered to domestic partners in accordance with the applicable rules of the New York State Employees Health Insurance Benefit Program.
- 34-11 Unit members shall not be provided coverage under the County of Nassau health insurance plan if their spouse, or recognized domestic partner, (1) is employed by the College or the County of Nassau; and (2) has family coverage under the County of Nassau health insurance plan. The couple will decide who will decline coverage. If the circumstance is such that two unit members are married or engaged in a recognized domestic partnership and cannot agree upon who will decline coverage, then the bargaining unit member who declines coverage shall be determined in accordance with applicable NYSHIP rule(s). In the circumstance of a marriage or recognized domestic partnership between a unit member and an employee of the County of Nassau, when the couple cannot agree the unit member shall decline coverage. The College shall provide any unit member who must decline coverage in accordance with this provision with a buyback in the amount of \$2,000.00. Further, if the unit member or his or her spouse or recognized domestic partner incurs any out of pocket costs in excess of the value of the buyback which the unit member or his or her spouse or recognized domestic partner would not have

incurred had the unit member not declined coverage, the County of Nassau shall reimburse the unit member for such costs. Alternatively, the County of Nassau, after considering the recommendation of the College President or his/her designee, may elect to waive the applicability of this provision if it anticipates that reimbursement of out of pocket costs would be economically disadvantageous for the County.

The foregoing shall not apply to those unit members who are married to another unit member as of May 14, 2009 and who are enrolled along with their spouse in dual family coverage. One of the two family coverages will be converted to individual coverage. The couple will decide who will be reduced to individual coverage. If agreement cannot be reached then the reduction to individual coverage shall be determined in accordance with applicable NYSHIP rule(s). This exception shall be limited only to those unit members who are married to another unit member as of May 14, 2009 and who are enrolled along with their spouse in dual family coverage.

34-12 Reimbursement for health insurance premiums deducted pursuant to Section 36-5 of the parties' 2017-2020 Collective Bargaining Agreement are set forth in Appendix 9 hereto. This section shall expire and be of no further force and effect upon completion of the foregoing reimbursement to all eligible unit members.

**SECTION 35
OPTICAL PLAN**

35-1 The County shall pay up to, but no more than \$115.00 toward a County selected Optical Plan for all full-time faculty and the plan shall provide for both family coverage and domestic partner coverage.

35-2 There shall be a two (2) month waiting period before new employees shall be eligible for coverage.

35-3 Nothing herein shall be construed to confer any obligation by the County to pay premiums for any optical plan for any retired or retiring employees.

35-4 The County reserves the right, at any time, to change optical plan providers so long as there is no decrease in the benefit levels. Before making such change, the County shall notify and accept comments from the Union.

**SECTION 36
DENTAL PLAN**

36-1 The County will contribute \$574 annually per employee pro-rated on a monthly basis toward the cost of the dental insurance plan chosen by the employee group.

36-1.1 Should dividends accrue from the dental plan purchased by the NCCFT, such dividends will be remitted to the County. The County shall have such auditing rights as are necessary to enforce this clause. The NCCFT shall not decrease its deductible, nor increase any benefit level more than 20 percent (20%) over the life of this Agreement.

36-2 There shall be a two (2) month waiting period before new employees shall be eligible for dental coverage.

SECTION 37

LIFE AND DISABILITY INSURANCE

The County will provide a check-off for the payment of premiums for group life and disability insurance plans that are to be selected and completely paid for by the employees. If life insurance benefits are granted to any other County bargaining unit during the term of this Agreement, then and in that event, this Agreement shall be re-opened to negotiate with respect to said life insurance benefits for all employees covered under this Agreement.

SECTION 38

DEATH BENEFIT

The estate of a deceased employee of the faculty shall be entitled to be paid for all unused accumulated vacation time, sick leave, and compensatory time at his or her pro-rate prevailing rate of pay. However, if the faculty member has filed a "Designation of Beneficiary With Contingent Beneficiary" with the retirement system, such sum shall be paid to the beneficiary therein designated.

SECTION 39

ACCIDENTAL INJURY DEATH BENEFIT

For death due to accidental injury on the job, a member of the faculty shall receive the sum of ten thousand dollars (\$10,000.00) in addition to other due entitlements under this contract. Such sum shall be paid to the estate of the employee; however, if the employee has filed a "Designation of Beneficiary with Contingent Beneficiary" with the retirement system, such sum shall be paid to the beneficiary therein designated.

SECTION 40

MILEAGE ALLOWANCE

- 40-1 Faculty required to use their private automobiles for off-campus College business will be compensated at the rate permitted under IRS regulations in accordance with the mileage distance as determined by the County Comptroller.
- 40-2 Authorization to use a private vehicle for College business must be obtained in advance from the office of the Vice President for Administration.
- 40-3 In the event the County increases the mileage allowance for any employee group, then this contract shall be deemed modified to reflect said increase.

SECTION 41

ACADEMIC REGALIA

- 41-1 As the College requires faculty to wear academic regalia (cap, gown, and hood) to certain College functions, the College will assist in the procurement of this regalia as follows:
 - 41-1.1 It will be the individual's responsibility to purchase the required regalia. The College will reimburse the individual for the purchase of this regalia as follows:
 - a) Regalia for an Associate, Bachelor or Master degree, \$100.
 - b) Regalia for a Doctoral degree, \$200.
 - 41-1.2 The College will reimburse the individual once for each degree level acquired.
- 41-2 In order for the faculty member to be reimbursed, he/she must present a copy of the paid bill enumerating the purchase of the regalia with a Nassau County claim form to the Accounts Payable section of the College's Procurement Department. The

regalia is then the permanent property of the faculty member. Regalia already provided to present faculty members may be retained by them, and no additional reimbursement will be made to them unless they achieve a higher level degree.

**SECTION 42
TERMINATION PAY**

42-1 The classroom faculty member or his/her legal representative upon termination of service shall receive a cash payment for the monetary value of his/her accumulated but unused sick leave at the time of such termination as follows:

<u>YEARS OF SERVICE</u>	<u>% OF UNUSED SICK LEAVE</u>
LESS THAN 15 YEARS	50%
15-19 YEARS	75%
20 OR MORE YEARS	100%

42-2 A non-classroom or professional faculty member or his/her legal representative, upon termination of service shall receive a cash payment for the monetary value of his/her accumulated but unused vacation time plus a percentage of his/her sick time accumulated but unused at the time of such termination as follows:

<u>YEARS OF SERVICE</u>	<u>% OF UNUSED SICK LEAVE</u>
LESS THAN 15 YEARS	50%
15-19 YEARS	75%
20 OR MORE YEARS	100%

42-3 **Unused Accumulated Vacation Time**

42-3.1 In the event that the faculty member is unable to utilize the 26 vacation days for his/her last year of employment prior to retirement because of the “press of business responsibilities”, the faculty member will be paid for more than 90 days (maximum 116 days) if the following conditions are met:

- a) The faculty member must attempt to use the current year’s 26 days and must maintain a record of vacation requests and disapproval of same; and
- b) The faculty member’s immediate supervisor must certify that the days could not be used because of work-related needs.

**SECTION 43
RETIREMENT PLANS**

43-1 Full-time faculty are required to select one of the following retirement plans that are available to them: Optional Retirement Program, New York State Teachers’ Retirement System, or New York State Employees’ Retirement System.

43-2 Mandatory retirement shall be governed by the law and the regulations of the relevant retirement system.

43-3 Requests to hire a NY State Public Employee (form UP-211) may be signed by the College President in rare and unusual circumstances when a department is unable to find other qualified candidates. The requests will be sent to the Chancellor of SUNY for approval. There is no appeal of the President's decision.

43-3.1 At the time of a faculty member's initial appointment, should a UP-211 request be

signed by the President and approved by the Chancellor for the maximum of two years at a time, the College agrees to continue to request SUNY approval each two years as long as the faculty member requires the approval, so that there is no loss of pension benefits.

- 43-4 Unit members shall provide the College within sixty (60) days written notice of intention to resign for purposes of retirement. However, in the event of a major life event the sixty (60) day requirement shall be waived at the request of the unit member.

SECTION 44

EARLY RETIREMENT INCENTIVE

- 44-1 For a faculty member who will reach his/her fifty-seventh (57th) birthday, and who will have completed ten (10) or more years of full-time service as a member of the full-time faculty at Nassau Community College, the enrollment period for the election of the early retirement incentive is from the date of said birthday for the remainder of that calendar year until December 31.
- 44-1.1 Failure to elect to retire early during the time periods specified above will preclude any faculty member from obtaining this benefit for the life of the Agreement.
- 44-1.2 This benefit is not available to faculty members who elect an early retirement incentive under the terms of any other retirement system or TIAA/CREF or Optional Retirement Program.
- 44-2 Incentive: An eligible faculty member will receive ninety percent (90%) of the final year's salary.
- 44-2.1 For purposes of this section only, "final year's salary" will be defined as the base annual salary for the faculty member, excluding advanced study differential, overtime, termination pay, and any other compensation additional to the base annual salary.
- 44-3 Payment of this early retirement incentive will be made in equal annual installments over the course of a five-year period, without interest. Upon early retirement under Section 44-1, the President of the College shall decide at the request of the faculty member and based upon the circumstances in each case, whether an employee shall receive a lump sum cash payment of this incentive. Should death occur during this payment period, the remainder due from the incentive will be paid to the estate of the deceased upon just demand.

SECTION 45

DISCONTINUANCE OF SERVICE

A faculty member who resigns from the College or who is terminated for other than budgetary reasons and subsequently is re-employed by the College shall not be deemed to have continuous employment. Such faculty member shall measure his/her seniority from the date of re-employment.

SECTION 46

TERMINATION FOR FINANCIAL REASONS

- 46-1 If the services of a faculty member shall be terminated for budgetary reasons, notice of termination shall be given to the faculty member as follows:
- 46-1.1 If the termination is mandated or dictated by State limitation of available funds,

notice will be given as soon as that limitation becomes effective and shall take effect at the end of the school year or such later date as may be required.

46-1.2 If the termination results from a limitation of funds dictated by the County, then at least one calendar year's notice will be given before a dismissal.

46-1.3 These rules shall apply to both tenured and non-tenured faculty.

46-1.4 If a faculty member is terminated for the above reasons before the end of the period of appointment because of a financial exigency or because of the discontinuance or reduction of a program of instruction, the released faculty member's place will not be filled by a replacement within a period of two (2) years unless the released faculty member has been offered reappointment and a reasonable time within which to accept or decline. If a faculty member is reappointed under this provision, his/her service shall be deemed continuous.

46-1.5 In the event of the above, the reduction of the faculty shall be on the following basis:

- a) Reduction shall take place first among adjunct faculty members, then non-tenured faculty members, and finally tenured members in the department affected (subject to provisions of Notice of Non-Reappointment). If two or more persons have the same seniority, decision as to who shall be dropped will be based upon worth determined by procedures set forth by the Department P&B Committee within the guidelines developed by the Union and the Administration.
- b) Faculty members who were employed by the College prior to the creation of a department shall have their seniority assured on a College-wide basis. Conflicts of seniority among faculty members with the same commencement date of full-time employment in the department shall be resolved by earlier dates of full-time employment at the College, part time employment at the College, or date of letter of appointment to the College, in that order. Every reasonable effort shall be made to offer the faculty member employment in another program in which the faculty member is presently qualified. Application for sabbatical leave for the purpose of retraining shall be considered by the Sabbatical Leave Committee.

SECTION 47
APPOINTMENT POLICY
FACULTY AND ADMINISTRATION

47-1 When a vacancy for a faculty position occurs in any department, the Vice President for Academic Affairs or the Vice President for Student Services shall evaluate the need for the position and thereafter, if it is determined that the position is needed, announce the vacancy to the Dean, the Personnel and Budget Committee and Department Chair of the unit to which the position is assigned. Except as noted in Section 46-1, the members of the Personnel and Budget Committee and the Chairperson of the Department in which the search is to be conducted (in case of non-academic department, the supervising administrator or his/her appointed representative) shall constitute the Selection Committee for the purpose of reviewing applications and credentials, interviewing candidates, and making recommendations to the appropriate Dean.

47-1.1 The Personnel and Budget Committee shall forward the names of the three qualified recommended candidates, in rank order, to the appropriate Dean for

review. (If a search does not result in three successful candidates, the Dean may, after reviewing the search process and the candidates, waive the requirement for three candidates.)

47-1.2 The Dean shall interview candidates referred in accordance with subsection 47-1 above. If the Dean does not select a candidate from this list he/she shall meet with the Personnel and Budget Committee to discuss his/her decision; thereafter, the Selection Committee shall promptly conduct a second search.

47-1.2.1 If the second search is not concluded within a reasonable time period the matter shall be referred by the Dean to the President for resolution and the appointment of a qualified candidate. Prior to making a determination the President or his/her designee shall meet with the Dean, the Department Chair, and the Personnel and Budget Committee to discuss the matter. Thereafter the President or his/her designee may make a selection. In no case shall anyone be appointed to fill a vacancy who has not received a favorable recommendation from the selection committee.

47-1.2.2 If a second search is timely conducted and if none of the candidates is found to be acceptable to the Dean, the compelling reasons for the decision shall be communicated in writing to the Personnel and Budget Committee by the Dean. If consultation with the Personnel and Budget Committee does not resolve the matter, it shall be referred to the President, or his/her designee, who shall meet with the Dean, the Department Chair, and the Personnel and Budget Committee to discuss the matter. Thereafter the President or his/her designee may make a selection. In no case shall anyone be appointed to fill a vacancy who has not received a favorable recommendation from the selection committee.

47-1.3 When a vacancy for a position occurs in any area that reports to the Vice President for Academic Student Services, the members of the Personnel and Budget Committee and the Chair of the Department shall constitute the Selection Committee.

In the Department of Student Personnel Services, the members of the Personnel and Budget Committee shall constitute the Selection Committee. In areas that report to the Vice President for Academic Student Services or the Vice President for Academic Affairs, that do not have a chairperson or a Personnel and Budget Committee, the Selection Committee shall consist of the director of the area and representatives designated by the Vice President. The process in Section 47-1.2 shall be followed.

47-1.4 If none of these candidates is found acceptable, compelling reasons for this decision shall be communicated in writing to the P&B Committee. If consultation with the P&B Committee does not resolve the matter, it may be subject to the appropriate grievance procedures. A new search cannot be initiated unless there is agreement with the Department or resolution by grievance. In no case shall anyone be appointed to fill a vacancy who has not received a favorable recommendation from the departmental Selection Committee. Upon positive referral, the successful candidate shall be appointed by the President.

47-2 Current full-time temporaries, who received their appointment as a result of approved search procedures, shall, on the recommendation of the P&B Committee, be appointed to the first available vacancy.

- 47-3 A member of the faculty with a formal academic rank or a member of the professional faculty who leaves the faculty ranks to take a twelve (12) month position within the Administration shall have priority in filling an appropriate vacancy when returning to the department from which he/she came. The department Chairperson and/or the Personnel and Budget Committee may reject the appointment only on the grounds of lack of professional qualification. This rejection may be subject to the appropriate grievance procedure. He/she shall be placed in the first available appropriate opening in the department.
- 47-4 His/her position as to academic rank, professional title, tenure, and department seniority will be the same as the day he/she left the academic department or professional unit. Upon returning to the academic department or professional unit, he/she shall assume the step he/she would have had if the faculty member had not left the department or unit. Seniority does not accrue when a faculty member is out of the department.
- 47-5 A faculty member who has achieved tenure in one department and becomes a member of another department must apply for tenure when his/her probationary period is completed. If tenure is not granted, that person returns to the department where tenure is held under the terms and conditions stated in the contract. If tenure is granted in a new department, then tenure in the previous department must be forfeited.
- 47-6 Time in rank of a member of the faculty who has moved from one department to another may be used for purposes of promotion. However, honorary rank achieved does not count for promotion.
- 47-7 In those cases where an Administrative Assistant (AA), Technical Assistant (TA), or Technologist is appointed to a classroom faculty position, the individual so appointed shall be given the title and rank of Instructor. The salary shall be fixed as follows:
- a) Where the salary as an Administrative Assistant, Technical Assistant, or Technologist lies between Step 1 and Step 16 of the Instructor rank, the AA, TA, or Technologist shall be placed on the instructor step that most closely equals the salary he/she would have received as an AA, TA, or Technologist.
 - b) Where the salary as an Administrative Assistant, Technical Assistant, or Technologist is greater than Step 16 of the Instructor scale, the AA, TA, or Technologist shall be placed at Step 16 of the Instructor scale.
 - c) Where the salary as an Administrative Assistant, Technical Assistant, or Technologist is less than Step 1 of the Instructor scale, the AA, TA, or Technologist shall be placed at Step 1 of the Instructor scale.
- 47-7.1 Administrative Assistants, Technical Assistants, or Technologists who are tenured and who are appointed to classroom faculty positions will maintain tenure as AA's, TA's, or Technologists but will begin a new probationary period for tenure and promotion as classroom faculty. A Professional Development Plan will be required. In the event an AA, TA, or Technologist is granted tenure as a classroom faculty, he/she will relinquish the tenure held as a TA, AA, or Technologist. If tenure is not granted as a classroom faculty, the TA, AA, or Technologist will revert to the tenured position previously held.
- 47-7.2 In those cases where a non-classroom instructional faculty member is appointed to

a classroom instructional faculty position, the individual so appointed shall retain the title and rank achieved while a member of the non-classroom faculty. In order to apply for promotion, the contractually specified time in rank must be served as a member of the classroom faculty. All non-classroom instructional faculty members appointed to a classroom position will begin a new probationary period for tenure as classroom faculty. A Professional Development Plan will be required. In the event that a faculty member has previously been granted tenure as non-classroom faculty, the non-classroom faculty member appointed to a classroom position will maintain tenure as non-classroom faculty. Should the individual be granted tenure as classroom faculty, he/she will relinquish the tenure held as non-classroom faculty. If tenure is not granted as classroom faculty, the individual will revert to the tenured position previously held.

SECTION 48
REAPPOINTMENT AND
NON-REAPPOINTMENT

- 48-1 Nassau Community College subscribes to the Standards for Notice of Non-Reappointment adopted by the American Association of University Professors on April 11, 1964, the text of which follows:
"Notice of Non-Reappointment, or of intention not to recommend reappointment to the governing board, should be given in writing in accordance with the following standards:
- Not later than March 1 of the first academic year of service, if the appointment expires at the end of that year; or, if one year appointment terminates during an academic year, at least three months in advance of its termination.
 - Not later than December 15 of the second academic year of service, if the appointment expires at the end of that year; or, if an initial two-year appointment terminates during an academic year, at least six months in advance of its termination. At least twelve months before the expiration of an appointment after two or more years in the institution."
- 48-2 The initiative for non-reappointment of all faculty normally resides with the departmental Personnel and Budget Committee. In the event of a decision of non-reappointment by the aforementioned, the Personnel and Budget Committee must normally notify the individual concerned thirty (30) days prior to any recommendation made to the Administration. The individual concerned shall have the right to use the prescribed grievance procedure.
- 48-3 All non-tenured faculty shall receive one year renewable contracts until the expiration of their probationary period unless they are not reappointed.
- 48-4 Should the recommendation for non-reappointment originate outside the department, it must be in writing, indicating reasons for the recommendation and submitted to all parties concerned. The Personnel and Budget Committee will then reevaluate the recommendation and make its position known to the President. The individual concerned shall have the right to use the appropriate grievance procedure.

SECTION 49
PROGRESSIVE DISCIPLINARY PROCESS

- 49-1 It is expected that all faculty members will conduct themselves according to generally expected standards of conduct and performance. Both the NCCFT and the College recognize the importance of counseling and the principles of corrective discipline. Therefore, it shall be the purpose of the Progressive Disciplinary Process to provide a fair, consistent method of addressing unacceptable and inappropriate behavior by informing the faculty member of unacceptable behavior and/or violations of College policy and procedure and giving faculty the opportunity to remediate unacceptable behavior and/or violation of College policies and procedure in order to eliminate problems as much in advance as possible. This policy will provide for a prompt, equitable and efficient procedure for disciplining and/or counseling a faculty member.
- 49-1.1 In applying the procedure herein, the Chair and/or the Dean and/or Supervisor and/or Vice President need to consider the severity of the offense, the previous record of the faculty member, and the length of time between offenses. A faculty member's past record does not have to include a prior offense of the same type to be issued a warning. A single major incident if adequately serious, can warrant invocation of contract procedures leading to termination. In all stages of this process, the Office of Human Resources may be consulted.
- 49-2 **The Progressive Disciplinary Process:**
To insure that the faculty member has the opportunity to discuss deficiencies, to understand where improvement is needed, to know what are the expectations of the Chair and/or the Dean and/or Supervisor and/or Vice President and to have the opportunity to take corrective action, the following procedures should be followed:
- 49-2.1 a) Oral Notification
b) Verbal Counseling
- 49-2.2 Written Notice
a) Written Counseling
b) Written Reprimand
- 49-2.3 Suspension Untenured Employees
a) With pay (1-5 Days)
b) Without pay (1-10 Days)
- 49-2.4 Suspension Tenured Employees
a) With pay (1-5 Days)
b) Without pay (1-10 Days)
- 49-2.4.1 The foregoing suspension penalties against tenured employees shall not be imposed until the affected unit member shall have been granted an opportunity to hear the reasons asserted as justification of the penalty before the Chair and/or the Dean and/or Supervisor and/or Vice President imposing the penalty. The affected unit member shall be granted the opportunity to respond and may be represented by the NCCFT at the meeting that the foregoing occurs.
- 49-2.5 Termination
a) Non-tenured (refer to Sections 48 and 49-5 of the NCCFT Contract)
b) Tenured (refer to Section 50 of the NCCFT Contract-Dismissal of Tenured Faculty)

- 49-3 **Definitions For Progressive Disciplinary Process**
- 49-3.1 **Oral Notification** is used by the Dean, the Chair and/or lowest possible departmental level administrator or supervisor for unit members without a Dean, for the first minor infraction, to verbally notify the faculty member of unacceptable behavior or unacceptable conduct. This method can be used twice before going on to the next step. An oral warning remains in effect for twenty four (24) months.
- 49-3.2 **Written Notification** is used by the Dean, the Chair and/or the lowest possible departmental level administrator or supervisor for unit members without a Dean for:
- 49-3.2.1 **Written Counseling** is normally used for unacceptable behavior or unacceptable conduct; to assist a faculty member in understanding and correcting the behavior, they can be referred to the Employee Assistance Program (EAP). The written counseling notice comes from the Dean or Supervisor and remains in effect for twenty four (24) months.
- 49-3.2.2 **Written Reprimand** is normally used as a disciplinary action to inform a faculty member of unacceptable behavior or unacceptable conduct and states that future occurrences are subject to further disciplinary action.
- 49-3.2.3 Written reprimands are normally issued when there is:
- a) Repeat minor infractions for which the faculty member has previously been orally warned;
 - b) Several minor infractions occurring within a short time, preceded by a minor infraction for which the faculty member has previously been orally warned;
 - c) The first incident of a more serious infraction.
 - (1) The written reprimand comes from the Dean or the Chair and remains in effect for twenty four (24) months.
 - (2) Written warning memoranda will be placed in the faculty member's personnel file; the faculty member may respond in writing to the warning memoranda. The written warning (and response) is not subject to the grievance procedure but may be responded to.
 - (3) Written responses will be filed in the personnel file along with the written warning memoranda and remain in effect for twenty four (24) months and shall be removed upon request to the College and the NCCFT Contract Administrators if there is no further occurrence.
- 49-4 **Suspension** is normally used for the temporary removal, with or without pay, of a faculty member from the performance of his/her duties. Suspensions are normally used for:
- Recurrences of habitual minor infractions or several more serious infractions preceded by an infraction for which the faculty member has recently received oral and/or written warnings; or the first act representing a significant violation that does not warrant the commencement of termination proceedings without the prior benefit of either an oral or written warning.
- 49-4.1 Suspensions are imposed by a Dean or Vice President. The decision to suspend can be grieved at Step 3. Documentation of suspension will be in the faculty member's personnel file and remains in effect for twelve months and shall be removed from the file if there is no further occurrence.
- 49-5 **Termination** of employment is the culmination of the progressive disciplinary

process. Terminations occur for major infractions or when the progressive measures hereinbefore set forth have not corrected unacceptable behavior. In the event a decision is made to terminate a faculty member who is non-tenured, Sections 48 and 49-5 of the Collective Bargaining Agreement shall apply. If the faculty member is tenured, the process contained in Section 50 will be used. The Office of Human Resources should be consulted before terminating a faculty member.

SECTION 50

DISMISSAL OF TENURED FACULTY

- 50-1 The College and the NCCFT agree that in all dismissal cases involving tenured faculty the bargaining unit member shall be guaranteed the rights and procedures contained in the documents enacted by the American Association of University Professors (AAUP) entitled: the "Statement on Procedural Standards in Faculty Dismissal Proceedings" (1958); the "1940 Statement on Principles on Academic Freedom and Tenure" as amended (1978), and the "Recommended Institutional Regulations of Academic Freedom and Tenure (1982)." (The 1982 document serves as a primary outline for procedure as modified by this Agreement.) It is understood and agreed that the above three documents shall be controlling in tenure dismissal cases except where the rights and procedures contained in these documents are expressly waived or changed in the following paragraphs of this Agreement. It is also understood that the provisions of the Collective Bargaining Agreement shall be observed and honored in any tenure dismissal hearing. Tenured faculty members shall only be dismissed for adequate and just cause.
- 50-2 For the purpose of a tenure dismissal hearing, the nine elected faculty members of the College's Promotion and Tenure Committee (P&T) shall serve as the Hearing Committee (Committee). This Committee shall determine if adequate and just cause exists to recommend the dismissal of a faculty member. The two elected faculty alternates may serve as replacements in case of disqualification or resignation of one of the nine elected faculty members. Only the nine elected members of the Committee may vote unless permanently replaced by an alternate. No member of the Committee may be a party to the final recommendation and/or discussions arriving at any recommendation, and/or participate in the process unless he or she was in attendance at all prior meetings. A majority (which must be five votes) of the Committee must agree on the final recommendation and all decisions.
- 50-3 **INFORMAL PROCEEDINGS:**
- 50-3.1 If a recommendation for dismissal emanates from the department Personnel and Budget Committee, the Dean or a Vice President designated by the President, shall investigate the charges and shall discuss the matter with the faculty member and the P&B Committee. If within thirty (30) working days there is no mutual resolution, the President, upon the Dean's recommendation, may begin formal proceedings against the faculty member by issuing a formal finding of probable cause to seek the faculty member's dismissal.
- 50-3.2 If a recommendation for dismissal emanates from outside the department, the Dean, or a Vice President designated by the President, shall discuss the charges with the

faculty member. If, within thirty (30) working days, they cannot agree to a mutual resolution of the matter, the appropriate Dean and/or Vice President shall discuss the matter with the faculty member's department P&B Committee. In case the faculty member is not attached to a department, the discussions will be with the individual's immediate supervisor. The faculty member shall be present at these discussions. The P&B may seek to effect a fair adjustment if possible. If no adjustment is possible, the P&B Committee will so notify the Dean and/or Vice President. The President may begin formal proceedings against the faculty member by issuing a formal finding of probable cause to seek the faculty member's dismissal.

50-3.3 The faculty member shall have the right to have a union observer present during any stage of these informal proceedings.

50-3.4 In both cases, the President shall send to the faculty member the finding of probable cause thereby notifying the faculty member of the charges. The faculty member has a right to a hearing on the charges before the P&T Committee. The hearing shall not be public unless so requested by the faculty member in writing before the hearing commences or on the record during the hearing.

50-4 **FORMAL PROCEEDINGS:**

50-4.1 After the faculty member has received notice of the specific charges and has requested a hearing, the President shall notify the P&T Committee that a hearing is required. The President's notification to the Hearing Committee shall not contain the specific charges, but only the fact that probable cause has been found and a hearing has been requested. The charges and supporting papers will be submitted to the Committee according to regular Committee procedures.

50-4.2 The faculty member shall not be suspended from his/her classes or duties before or during the formal proceedings unless justified by the threat of immediate harm to any person. In no event shall a suspension take place without notification to the faculty member's P&B Committee. Suspension shall be with full salary and benefits.

50-4.3 The President may withdraw the charges and terminate the matter at any time.

50-5 **COMMITTEE PROCEDURE:**

50-5.1 The Committee, after receiving notification that charges exist and that a faculty member seeks a hearing, shall notify the faculty member, the President, and the NCCFT that a hearing will be conducted at a certain time and place. A representative designated by the NCCFT may be present during the hearings. The President may designate a representative to be present during the hearings. The charges shall be reduced to writing.

50-5.2 The College and the NCCFT shall select a Committee Arbitrator who shall make all evidentiary and procedural rulings and to provide advice to the Committee on all other legal matters that may arise during the course of the hearing. The Committee Arbitrator shall make evidentiary rulings on the record arising during any pre-hearing meetings and the hearing itself. The Committee Arbitrator shall be selected by the College and the NCCFT pursuant to the rules for voluntary labor arbitration of the American Arbitration Association. The Committee Arbitrator shall be selected prior to the commencement of the hearing and shall be an attorney. The cost for the services of the Committee Arbitrator, including expenses, if any, will

be assumed by the College. (This provision will be applicable to all proceedings heard following July 1, 2017).

- 50-5.3 The Committee may, with the consent of the parties concerned, hold joint pre-hearing meetings in order to simplify the issues, effect stipulations of facts, provide for exchange of documentary or other information, and achieve such other appropriate pre-hearing objectives as to make the hearing fair, effective and expeditious, or reach settlement.
- 50-5.4 Although the Committee is not expected to follow rules of court procedure, all evidence concerning the case will be duly recorded and the testimony of witnesses will be received under oath of credibility. The record of the hearing shall be made available to the faculty member without cost. The Committee will consider only those charges contained in the President's written statement. The elected Chairperson of the P&T Committee shall, upon the advice and consent of Committee members, make determinations, on the record, as to all evidentiary and procedural matters. The Committee, in accord with the procedures of the AAUP standards referred to above and the NCCFT contract, shall determine the credibility of witnesses and evidence. The Committee shall ask questions through one committee member or the Chair in order to avoid undue delay.
- 50-5.5 The Committee will first hear testimony by the College's witnesses as to the specific grounds for the dismissal. The Committee shall have the option of questioning the witnesses and reviewing all documents submitted by the College. The faculty member shall have the opportunity to respond and to be represented by Counsel. The faculty member may call witnesses of his/her own choosing. Both parties shall have the right of cross examination.
- 50-5.6 At the end of the hearing process, the Committee may request oral argument and/or written briefs before making its recommendation. Both the College and the faculty member shall have the right to request oral argument and/or the right to file a written brief. In either case the parties shall be given reasonable time to prepare. The Committee shall meet at the end of all these procedures and discuss the case based upon all the facts in the record and make a written determination as to each specific charge basing its decisions on specific evidentiary and credibility finding with specific reference to the record. The Committee may consult with the Committee Arbitrator only on questions of law during the deliberation process. The Committee shall recommend such differentiated penalties it deems appropriate, including written reprimand, fine, suspension with or without pay, or termination, all with or without appropriate counseling. The Committee shall communicate its findings and recommendations in writing to the President and faculty member.
- 50-5.7 The President may withdraw the charges and terminate the matter. Alternatively, he may impose any sanctions the Committee has recommended or impose any sanctions he deems appropriate but must at all times base his decision upon the Committee's finding of fact and credibility upon the record.
- 50-6 **BOARD OF TRUSTEES:**
- 50-6.1 The Board may review the sanctions, but must do so upon the Committee's findings of fact and credibility based upon the record. The faculty member and any representative he/she may choose, as well as the Union, may argue orally or may submit written appeals to the Board.

- 50-6.2 If the Board disagrees with the sanctions imposed, it shall send the matter back to the President with its written objections specifically referring to the record. The President will reconsider and issue a decision which shall be final.
- 50-6.3 The burden of proof as to whether adequate and just cause exists to dismiss the faculty member rests with the College and will be satisfied only by clear and convincing evidence of that fact as contained in the record.

SECTION 51 TEMPORARY APPOINTMENTS

- 51-1 Full-time temporary appointments shall follow the same procedure as full-time permanent appointments even if appointment is made during a semester.
- 51-2 Temporary appointees are not eligible to serve on departmental Personnel and Budget Committees but may serve the College in every other way.
- 51-3 The time accrued by faculty on a temporary appointment shall count toward promotion, tenure and sabbatical in the event the temporary full-time faculty member is appointed to a full-time permanent position, if the full-time appointment occurs within one year following the conclusion of the temporary appointment.

52-5 If a faculty member eligible for tenure is not recommended for it by the Promotion and Tenure Committee, then by April 1st of the last year of his/her probationary period, he/she shall be informed in writing by the President of the reasons for not recommending tenure. Non-recommendation for tenure shall constitute grounds for appropriate grievance. When tenure is not recommended during the last probationary year, the faculty member shall be so notified under the provisions for non-reappointment. Tenure will not be awarded by default. Notwithstanding the provisions of Section 17-5.1, an individual faculty member who has not been recommended for tenure shall have the right to utilize all steps of the grievance procedure in Section 17.

- 59-7 In the event that there is a disagreement between the Personnel & Budget Committee and the Department Chairperson or a minority report, or if there is not unanimous agreement of the Personnel & Budget Committee on the application, or if the Promotion and Tenure Committee is considering the reversal of a unanimous

recommendation of the Personnel and Budget Committee, the Promotion & Tenure Committee shall do whatever it deems necessary to determine whether the applicant is deserving. In addition, should the aforementioned circumstances occur regarding an application for tenure, the Promotion & Tenure Committee shall interview the applicant, the Department Chairperson, and representatives of the Personnel & Budget Committee before any decision is made.

The decision of the Grievance Board to accept or reject a formal hearing shall be made within twenty-four (24) hours of its initial inquiry. Insofar as is possible no other promotion candidate shall have his/her privacy compromised as a result of the grievance.

departmentally sponsored; off campus conferences, seminars, workshops, lectures or presentations on topics germane to one's field and/or responsibilities at the College; or Retention Activities. It is the parties' understanding that a faculty member's participation in NYSUT and NCCFT sponsored professional development programs which would be documented and considered in an application for promotion shall constitute a faculty development activity for purposes of this section.

In turn, the PAC will review the application for promotion and/or tenure and forward their concurrence (or not) to the P&T Committee.

62-2 The PFU will elect a PAC of no less than three (3) and no more than seven (7) members. The PAC shall report to the PFU at least four (4) times a year. The Academic Senator elected by this unit shall function as Chairperson of the Committee.

63-2 The Sabbatical Leave Committee shall consist of a dean appointed by the President and five (5) additional members of the faculty who shall be tenured and hold the rank of Associate Professor or above. There shall be a first and a second alternate according to the number of votes each has received. Any dean may meet with the Committee. All members will serve staggered two-year terms and may be reelected only once. The Committee shall convene and elect the Chairperson before the end of the spring semester. In the event a Committee member resigns, applies for a sabbatical, or otherwise leaves an unexpired term of office, he/she shall be replaced by the first alternate who then becomes a permanent member of the Committee. In

the event of a second vacancy, it shall be filled by the second alternate in the same manner. No two members of the Committee may be from the same academic department. Faculty members are not eligible to serve on the Committee during the academic year in which they will be applying for sabbatical leave. Substitute provisions shall be negotiated by the parties in a manner to retain the equities of the original provision.

SECTION 72
CIVIL SERVICE LAW 204a

It is agreed by and between the parties that any provision of this Agreement requiring legislative action to permit its implementation by amendment of law or by providing the additional funds therefore shall not become effective until the appropriate legislative body has given approval.

APPENDIX 4
POLICIES & PROCEDURES FOR ASSIGNMENT
AND EVALUATION OF FACULTY

1. It is the responsibility of the academic departments to establish and review criteria for assignment of faculty to specific courses. The criteria must include, but need not be limited to the following:
 - (a) All faculty must meet initial qualifications for appointment to the academic department. These qualifications must include, as a minimum, the degree requirement established by the department at the time of appointment;
 - (b) All faculty must possess academic credentials necessary to teach the course, established by each Departmental Personnel and Budget Committee;
 - (c) All faculty must demonstrate evidence of current knowledge of specific course subject matter, sensitivity to the needs of the students being served, and where necessary, evidence of skill in specialized teaching techniques.

2. All recommendations for faculty assignments to courses will be made by the department chairperson according to departmental procedures and the policies and procedures enunciated herein.

3. In addition to initial qualifications for appointment, all faculty must meet specific criteria for assignment listed in Item 1 above. Consistent with Item 2 above, in exercising professional judgment in making recommendations for assignments for teaching specific course sections, the department chair may take into consideration additional factors such as:
 - a) Successful prior experience teaching the course;
 - b) Ability to meet student needs.

APPENDIX 5 TECHNICAL ASSISTANT(S) CONVERSION

Whereas, the diversity of the student body served by Nassau Community College has made it necessary for some of the academic departments to assist students with individualized or group instruction outside the classroom and student academic support services which are provided through workshops, learning centers or laboratories, and

Whereas, some academic departments, to better serve the students, find it necessary to establish a closer connection between classroom instruction and the student academic support services provided outside the classroom, and

Whereas, Middle States accreditation standards and the recent Policies and Procedures for Evaluation and Assignment of Faculty passed by the Nassau Community College Board of Trustees, require the monitoring of student needs and the development of appropriate services, Now therefore, Nassau Community College and the Nassau Community College Federation of Teachers (NCCFT) agree as follows:

1. After a review of department/student needs and after making a determination that curriculum within the academic program requires out-of-classroom support, a department P&B Committee may develop organized student academic support programs and may request that a line(s) held by a Technical Assistant(s) who meets the qualification for teaching in the department be converted to a non-classroom instructional staff line(s). Requests for conversion must be submitted by the Department Chair to the administration accompanied by a detailed written program of the student academic support services requested. The administration will notify the Department Chair and the P&B Committee in writing of its approval or disapproval of the conversion.

2. The decision of the administration concerning the conversion shall not be subject to the Collective Bargaining Agreement grievance procedure.

3. Departments given approval for such conversion shall not be given an additional Technical Assistant line(s) to replace the converted line(s).

4. Technical Assistant(s) converted to non-classroom instructional staff will continue performing their support/tutorial assignments. In addition he/she may be assigned by the Department P&B to teach one section of a class (not to exceed six contact hours) as part of his/her normal work schedule. All such assignments must be academically related to the support/tutorial work of the non-classroom instructional staff member.

5. All lines converted as provided for herein, shall be subject to existing work-day, -week and -year provisions of the NCCFT Collective Bargaining Agreement governing non-classroom instructional faculty.

6. Technical Assistants whose lines are converted to non-classroom instructional lines shall be given the title and rank of Instructor. Salary for converted Technical Assistant(s) shall be fixed as follows: where the salary as a Technical Assistant (P scale salary) lies between Step 1 and Step 10 of the negotiated salary for the Instructor rank, the converted Technical Assistant shall be placed on the Instructor step that most closely equals, but, is not less than, the salary received as a Technical Assistant (P scale salary). In all other cases, the salary for the converted Technical Assistant will be equal to the P scale salary.

7. Technical Assistants whose lines are converted will maintain tenure as Technical Assistants, if previously earned, but will begin the probationary period in which to earn tenure and promotion as a non-classroom instructional staff member.

 - C. All Department Chairs and Assistants to the Chair will retain their faculty status, including but not limited to tenure, rank, and all rights associated therewith as set forth in the Collective Bargaining Agreement between the NCCFT and the College, regardless of whether they are fully released from teaching responsibilities and/or any other faculty responsibilities during any period in which they are serving as Department Chairs or Assistant to the Chairs.  - F. The parties will amend the grievance procedure when it is negotiated in the NCCFC collective bargaining agreement to eliminate the role of the Department Chair as a step in their own grievance.
 - G. Except as set forth herein, until a collective bargaining agreement is negotiated with the NCCFC and the College, all wages and benefits, for Chairpersons and Assistants to the Chair remain as in the NCCFT contract.
 - H. Except as set forth herein, until a collective bargaining agreement is negotiated with the NCCFC and the College, Sections 21 and 22 of the NCCFT contract shall remain in full force and effect. Sections 21 and 22 of the NCCFT contract shall be extirpated from the successor NCCFT collective bargaining agreement and added to the NCCFC collective bargaining agreement.
3. This Agreement contains all the terms and conditions agreed upon by the parties hereto, and nothing shall be deemed to exist to vary the terms and conditions contained herein or those in the CBA. This Agreement may not be modified except through the mutual written consent of the parties.
